Nous vous conseillons avant d'entreprendre un voyage à l'étranger dans notre réseau Grande Exportation, avec votre véhicule, de vous renseigner auprès de votre Concessionnaire ou votre Agent habituel, afin de vous assurer :

- que nous sommes toujours représentés dans les pays que vous comptez visiter;
- que ces Agents sont habilités à vous fournir un service de qualité sur le type de votre véhicule. En effet, pour des raisons indépendantes de notre volonté, tous nos modèles ne sont pas systématiquement distribués par nos importateurs.

GB

Before planning a trip with your vehicle to foreign countries, we suggest you to contact your CITROËN Agent, in order to be aware of:

- if we have service Agent in countries you intent to visit;
- if they have the technical knowledge to repair your type of vehicle and if spare parts are available. For reason beyond our control, some of our models are not imported or sold by our foreign network.

D

Bevor Sie mit Ihrem Fahrzeug eine Auslandsreise unternehmen, empfehlen wir Ihnen sich bei Ihrem CITROËN-Vertragshändler zu informieren

- ob wir in den Ländern, die Sie besuchen möchten, vertreten sind und
- ob diese Händler in der Lage sind, Ihnen einen guten Service zu bieten. Denn aus Gründen, die wir nicht beeinflussen können, wird unsere gesamte Modellpalette nicht systematisch durch unsere Importeure vertrieben.

I

Prima di intraprendere un viaggio con il vostro veicolo nei paesi "Grande Esportazione" vi consigliamo di consultare il vostro concessionario o la vostra officina CITROËN di fiducia in modo che vi possa garantire che:

- siamo sempre rappresentati nel paese che volete visitare
- gli agenti colà operanti siano abilitati a fornirvi un servizio di qualità sul vostro tipo di veicolo. Infatti, per motivi non dipendenti dalla nostra volontà, non tutti i modelli vengono sistematicamente distribuiti dai nostri importatori.

E

Antes de emprender un viaje al extranjero, le aconsejamos ponerse en contacto con nosotros a fin de asegurar:

- Si estamos representados en los países que vd. Va a visitar.
- Si estos agentes estan preparados para proporcionarle un servicio de calidad, cualquiera que sea su modelo de vehiculo. En efecto, por razones independientes de nuestra voluntad, todos nuestros modelos no siempre son distribuidos sistematicamente por nuestros importadores.
